

OB Questions

▼ Short Questions

Module 1: Introduction to Organizational Behavior

1. What is Organizational Behavior OR Define Organizational Behavior OR What do you mean by Organizational Behavior?
2. Why is the study of Organizational Behavior important?
3. Write the scope of OB.
4. Write the nature of OB.
5. Write the contribution of Scientific Management in the evolution of OB.

Module 2: Individual Behavior

1. What is personality OR What do you mean by personality?
2. Define personality traits OR Write few personality traits for workplace efficiency.
3. What are the Big Five personality factors OR What is the Big Five personality model?
4. Expand MBTI OR What is MBTI?
5. What is perception OR Define perception?
6. What is selective perception OR Write a short note on selective perception?
7. What do you mean by attitudinal change OR Write a short note on attitudinal change?
8. What are the components of attitude?
9. What is the Conative component of Attitude?
10. How to identify an employee having the right job attitude OR Write briefly the concept of right attitude?
11. Is positive attitude essential at workplace?
12. Job attitude is the foundation of performance and satisfaction. Justify.

13. Write a short note on person-job fit OR Is this essential that personality and job fit together?
14. What are values needed at workplace OR How are values needed at workplace?
15. How are individual values manifested in the group values OR How individual values are manifested in a group?
16. Emotional intelligence is an essential requirement. Why?
17. How ethics are needed at workplace?
18. What do you mean by workplace spirituality OR Is spirituality needed at workplace?
19. Personality tells everything about a person. Comment.

Module 3: Motivation

1. Define Motivation OR What is Motivation?
2. Why is Motivation important?
3. Who has given the need-hierarchy theory of motivation?
4. What do you mean by Hierarchy of Needs?
5. What are the self-actualization needs known to you?
6. Write the Motivating Factors of Herzberg's theory.
7. Write a short note on equity theory of work motivation.
8. Write the names of two motivational theories.
9. Does reward and motivation go together?

Module 4: Group Dynamics

1. Define Team and state its importance.
2. What do you understand by group dynamics OR What is group dynamics?
3. How group behaviour is reflected?
4. What are the stages of group development?
5. Why is group cohesiveness significant OR Why is group cohesiveness required?

6. What are the problems associated with groupthink?
7. How synergy works in team effectiveness?

Module 5: Organizational Culture

1. What is organization Culture OR Write the concept of organizational culture OR State the relevance of organizational culture?
2. What is a strong culture?
3. What is the difference between hard and soft culture?
4. Differentiate formal and informal culture?
5. What is a culture iceberg?
6. Define cultural shock?
7. What do you mean by organizational climate OR Write a short note on organizational climate?
8. How organizational culture and individual values reciprocate each other?

Module 6: Organizational Change

1. What is the meaning and importance of organizational change OR What is the purpose of organizational change?
2. What are the stimulants to the organizational change?
3. Why do people resist change?
4. What do you mean by individual and group resistance?
5. What is Lewin's three-step model of change?
6. What do you mean by stabilizing the change?
7. Does every time a change brings development?
8. Differentiate between revolutionary and evolutionary change.
9. Why are there barriers to attitudinal change?

Module 7: Leadership

1. What do you mean by leadership traits OR Write some leadership traits?
2. Write the names of two leadership theories.

3. What is transactional leadership?
4. Write a short note on leader-member exchange.

Module 8: Perception and Attribution

1. What do you mean by attribution OR Write a short note on attribution OR How do you describe Attribution Theory OR How attribution works?
2. How attribution affects social perception?
3. What is stereotype error OR What do you mean by Stereotyping?
4. What is halo effect?
5. How perceptual process works?
6. What are the limitations of OB?

Additional Questions (Not Fitting Standard Modules but Related to OB)

1. Define learning.
2. What is grapevine in communication?
3. Write conflict resolution techniques.
4. What is performance appraisal?
5. How behaviour is reflected in the performance?
6. What are the traits of a learning organization OR What are the principles of a learning organization?

▼ Medium Questions

Module 1: Introduction to Organizational Behavior

1. What is the scope and importance of OB? Explain OR Explain the scope of OB.
2. Why should one study OB? OR Explain the significance of studying organizational behavior.
3. Organizational Behaviour is the sum of individual behavior. Comment.
4. Organizational behaviour is an interdisciplinary concept. Comment.

5. Organizational behaviour has certain limitations too. Comment OR Describe the demerits of OB.
6. Explain theoretical framework of OB.

Module 2: Individual Behavior

1. How significant is personality in an organization? Explain with example.
2. Analyze the determinants of personality.
3. Explain the Big Five personality types OR Discuss the Big Five personality model OR Explain Big Five Personality dimensions.
4. What is Myers-Briggs Type Indicator (MBTI) and how it is helpful to assess different personality types? OR What is the use of MBTI? Discuss how to perform a personality test in organization? OR Discuss how to perform a personality test in an organization? OR Why do you think that a personality test is essential for an employee selection?
5. How personality and job-fit theory works? OR Explain the personality and job-fit theory OR Discuss the personality job fit theory in the context of organisational success.
6. Explain the components of attitude OR Elucidate the Tri-component model of Attitude.
7. Explain the significance of attitude at workplace? OR Explain the significant of right attitude of employees in an organization.
8. Right attitude can take an employee to a leadership position. Justify.
9. How does attitude manifested in the performance of employees? OR How does job attitude manifested in the performance of employees? OR How does attitude affect the behavior and performance of employees?
10. Explain the relationship between attitude and behavior.
11. What are the barriers for attitudinal changes? How to overcome the same? OR What are the main obstacles for changing attitudes? OR Why change of attitude is so challenging?
12. How does emotional intelligence improve workplace harmony? OR Elucidate the role of emotional intelligence at workplace? OR Analyze the role of emotional intelligence in the communication and decision making process?

13. Do you think that present day organization needs workplace spirituality? Justify your arguments OR Do you think that business should imbibe spirituality in workplace? Critique your opinion OR "These days workplace spirituality is given much emphasis." Justify the statement OR Write the necessity and significance of Workplace Spirituality.
14. How individual differences affect the social perception?

Module 3: Motivation

1. What is Maslow's Need Hierarchy theory? Elaborate it with diagram.
2. Compare and contrast Maslow's and Alderfer's concept of Motivation.
3. Explain equity theory of motivation and its application OR Explicate the Equity Theory of Motivation.
4. Motivation is a result of complex process. Comment.

Module 4: Group Dynamics

1. What are the features and norms of group dynamics? OR What are the features and outcomes of group dynamics?
2. What are the norms and outcomes of group behaviour?
3. What are different types of groups and their necessity in organizations?
4. Distinguish between group and team with examples.
5. Explain the implications of formal and informal groups on management.
6. Explain the process of group development OR Discuss the five stages of group development model OR Explain the stages of group development.
7. How group decision making is superior to individual decision making?
8. Why achieving team results is so challenging? OR Why achieving team effectiveness is so challenging? OR Team building and managing is a cumbersome process. Comment.
9. Explain the process of team effectiveness.
10. What are different types of work teams? How team building facilitates performance?
11. Explain the ways to improve group effectiveness.

12. Illustrate leadership strategies to develop effective work team.

Module 5: Organizational Culture

1. What are the characteristics of organizational culture?
2. Explain how to create a positive work culture in theory? How it helps?
3. Organisation culture is the sum of shared values and practices.
Comment.
4. What do you mean by strong and weak culture? Explain OR Distinguish between strong and weak culture.
5. Discuss the soft and hard components of organization culture? OR What are the features of soft and hard culture? OR Distinguish between soft and hard culture OR Distinguish between hard and soft culture.
6. Discuss perceptual process with example OR Explain how the perceptual process works?

Module 6: Organizational Change

1. Change is the only truth. Do you agree? How do you manage change in an organization?
2. Group or Individual change is inevitable. How to deal with it?
3. Discuss Kurt Lewin's three step process of change OR Discuss Kert Lewin's three step process of change OR Briefly describe the Lewin's Model of Change.
4. Explain model of change management.
5. How different kinds of organizational change affect the workforce?
6. Provide the reasons behind the requirement of change in organization.
7. Suggest few methods to implement change in organizations.
8. Write the importance of Group Resistance.

Module 7: Leadership

1. What are the salient features of contemporary leadership styles?
2. Distinguish contemporary theory of leadership from the conventional approach.

3. How transformational leadership is different from transactional leadership?
4. Distinguish between autocratic and democratic style of leadership with examples.
5. Compare trait approach with contingency approach of leadership?
6. Explain various leadership styles and their implications.
7. How leadership style impact on decision making?
8. "Leader is a person who knows the way, goes the way and shows the ways." Justify.
9. "Leaders are not born but made." Critique the statement.

Module 8: Perception and Attribution

1. What are the factors affecting perception? OR Write down the factors influencing Perception OR Explain the factors influencing employee perception at workplace.
2. Define perception? What are the hindrances of social perception?
3. What are the perceptual errors? OR What are Selective Perception and Halo Effect?
4. What are the perceptual errors? How to minimize these?
5. Social perception is a complex process. Comment.
6. Explain the importance of perception in OB.
7. How social cognitive frameworks explain organizational behaviour?

Module 9: Learning and Communication

1. Define learning organization OR What is a Learning organization and its benefits?
2. What are the characteristics of learning organizations? How to build a learning organization?
3. Define learning organization. How organization can learn sustainably?
4. Illustrate the classical conditioning in learning.
5. What are the basic barriers of communications in organization?

6. Explain transactional analysis.

Module 10: Conflict and Recruitment

1. Is conflict required for better management? - Justify your answer.
2. Differentiate between Recruitment and Selection.
3. Write the importance of Group Resistance.

▼ Long Questions

Module 1: Introduction to Organizational Behavior

1. Expound the scope and importance of Organizational Behavior OR Explain the theoretical and practical significance of organization behaviour with suitable examples OR Why OB helps dealing with the opportunities and challenges in personal and professional life?
2. How the organizational behaviour evolved with the time? Discuss the implication of OB with suitable examples OR How organizational behaviour evolve as a separate domain? Discuss the nature and significance of OB in management.
3. Elucidate different OB framework OR Elucidate cognitive and behavioristic theoretical framework of organizational behaviour OR Discuss different OB framework OR Discuss different models of OB OR How Individual Behaviour & Organizational Behaviour reciprocate each other.
4. Elucidate the significance and limitations of organizational behaviour.

Module 2: Individual Behavior

1. What is personality and Job-Fit theory? Discuss the application of personality test in organizational success OR Describe personality and job fit theory and discuss the application of personality test for employee selection.
2. What are the big five personality traits? Explain how they influence work behaviour and performance of the employees?
3. What is Emotional Intelligence? How it affects the decision making and interpersonal relationship at work place OR Describe relation between

behavior and attitude and discuss how to develop emotional intelligence at the workplace.

4. Describe job attitude, its barriers and measures to improve it.

Module 3: Motivation

1. Motivation is essential for an employee in the organization. How to motivate the individual and the group OR Elucidate the significance of motivation.
2. How motivation works? How the content theories of motivation differ from process theories? OR What is the difference between content and process theories of motivation? Explain the implication of different theories of motivation? OR Discuss different theories of motivation OR How intrinsic and extrinsic motivation work in an organization?
3. Compare and contrast Maslow's Need Priority Model and Herzberg's two factor theory of motivation.
4. Describe the Porter Lawler Model with a step diagram OR Write the additional aspects added to Vroom's expectancy theory by Porter and Lawler.

Module 4: Group Dynamics

1. Explain the process of group development OR Discuss different types of functional and cross functional teams in the organization OR Discuss different types of functional teams in the organization OR How they work together for a specific objective?
2. Define group OR What are the types of groups in organization? OR Why do people join group?

Module 5: Organizational Culture

1. Mention the significance of Organizational Culture OR Identify the different types of culture studied by you OR Describe the dimensions and determinants of organizational culture OR Discuss how culture and ethos are maintained by the organization OR Give examples.
2. "Growing a culture requires a good storyteller. Changing a culture requires a persuasive editor." Evaluate the statement.

Module 6: Organizational Change

1. Organizational change is inevitable OR Analyze OR What are the prerequisites for successful management of change? OR What are the strategies to manage organizational change? OR What are the prerequisites for successful change?
2. How resistance to change can be overcome? OR In this light, describe the Kotter's Model to implement change with a suitable diagram OR Discuss Kotter's eight step plan to implement change OR Elucidate how to overcome the resistance to change in the organization? OR Why implementation of change is often a huge challenge for any organization? OR Discuss Kotter's 8 step process of change management.
3. What is the need of organizational change? OR What are the significant aspects of managing change?

Module 7: Leadership

1. What are different types of leadership? OR Discuss the advantages and disadvantages associated with each leadership style OR Discuss the various leadership theories OR Give your opinion which one seems to be more relevant.
2. What is the contemporary leadership and how does it differ from the conventional style approaches?
3. Describe the success story of a global leader and an Indian leader.

Module 8: Perception and Attribution

1. Define perception and attitude OR How both of them influence the workplace behavior and performance?
2. Describe the factors influencing employees' perception in organization and measures to overcome perceptual errors.

Module 9: Communication

1. Explain the communication process in organization OR Give examples of different types of communication in a particular organization.

▼ Clubbed Questions

Module 1: Introduction to Organizational Behavior (6 Questions)

1. What is Organizational Behavior OR Define Organizational Behavior OR What do you mean by Organizational Behavior OR Expound the scope and importance of Organizational Behavior OR Explain the theoretical and practical significance of organization behaviour with suitable examples OR Why should one study OB OR Explain the significance of studying organizational behavior OR Why OB helps dealing with the opportunities and challenges in personal and professional life?
2. What is the scope of OB OR Write the scope and importance of OB OR Explain the scope of OB?
3. How the organizational behaviour evolved with the time OR How organizational behaviour evolve as a separate domain OR Discuss the implication of OB with suitable examples OR Discuss the nature and significance of OB in management?
4. What are the nature and theoretical framework of OB OR Write the nature of OB OR Explain theoretical framework of OB OR Elucidate different OB framework OR Elucidate cognitive and behavioristic theoretical framework of organizational behaviour OR Discuss different OB framework OR Discuss different models of OB?
5. Organizational Behaviour is the sum of individual behavior OR How Individual Behaviour & Organizational Behaviour reciprocate each other OR Organizational behaviour is an interdisciplinary concept?
6. What are the limitations of OB OR Organizational behaviour has certain limitations too OR Describe the demerits of OB OR Elucidate the significance and limitations of organisational behaviour?

Module 2: Individual Behavior (18 Questions)

1. What is personality OR What do you mean by personality OR Analyze the determinants of personality?
2. What are personality traits OR Write few personality traits for workplace efficiency OR Define personality traits?
3. What are the Big Five personality factors OR What is the Big Five personality model OR Explain the Big Five personality types OR Discuss the Big Five personality model OR Explain Big Five Personality

dimensions OR What are the big five personality traits OR Explain how they influence work behaviour and performance of the employees?

4. What is Myers-Briggs Type Indicator (MBTI) OR Expand MBTI OR What is the use of MBTI OR Discuss how to perform a personality test in organization OR Why do you think that a personality test is essential for an employee selection OR What is Myers-Briggs Type Indicator (MBTI) and how it is helpful to assess different personality types OR Discuss how to perform a personality test in an organization?
5. How personality and job-fit theory works OR Explain the personality and job-fit theory OR Discuss the personality job fit theory in the context of organisational success OR What is personality and Job-Fit theory OR Discuss the application of personality test in organizational success OR Describe personality and job fit theory and discuss the application of personality test for employee selection?
6. What is perception OR Define perception OR Explain the importance of perception in OB?
7. What is selective perception OR Write a short note on selective perception OR What are Selective Perception and Halo Effect?
8. What are the components of attitude OR Elucidate the Tri-component model of Attitude OR What is the Conative component of Attitude?
9. What is attitudinal change OR Write a short note on attitudinal change OR What do you mean by attitudinal change OR Describe job attitude, its barriers and measures to improve it?
10. What is the significance of attitude at workplace OR Explain the significance of right attitude of employees in an organization OR Right attitude can take an employee to a leadership position OR Explain the significance of attitude at workplace?
11. How does attitude affect performance OR How does job attitude manifested in the performance of employees OR How does attitude affect the behavior and performance of employees OR How does attitude manifested in the performance of employees OR Explain the relationship between attitude and behavior OR Define perception and attitude OR How both of them influence the workplace behavior and performance?

12. What are the barriers for attitudinal changes OR How to overcome the same OR What are the main obstacles for changing attitudes OR Why change of attitude is so challenging OR Why are there barriers to attitudinal change?
13. What is Emotional Intelligence OR How does emotional intelligence improve workplace harmony OR Elucidate the role of emotional intelligence at workplace OR Analyze the role of emotional intelligence in the communication and decision making process OR What is Emotional Intelligence OR How it affects the decision making and interpersonal relationship at work place OR Describe relation between behavior and attitude and discuss how to develop emotional intelligence at the workplace?
14. What are values needed at workplace OR How are values needed at workplace OR How are individual values manifested in the group values OR How individual values are manifested in a group?
15. How ethics are needed at workplace?
16. What do you mean by workplace spirituality OR Is spirituality needed at workplace OR Do you think that present day organization needs workplace spirituality OR Justify your arguments OR Do you think that business should imbibe spirituality in workplace OR Critique your opinion OR "These days workplace spirituality is given much emphasis." OR Justify the statement OR Write the necessity and significance of Workplace Spirituality?
17. Personality tells everything about a person OR How significant is personality in an organization OR Explain with example?
18. How individual differences affect the social perception?

Module 3: Motivation (8 Questions)

1. What is Motivation OR Define Motivation OR Why is Motivation important OR Motivation is essential for an employee in the organization OR How to motivate the individual and the group OR Elucidate the significance of motivation OR Motivation is a result of complex process?
2. What is Maslow's Need Hierarchy theory OR Elaborate it with diagram OR Who has given the need-hierarchy theory of motivation OR What do you mean by Hierarchy of Needs OR What are the self-actualization

needs known to you OR Compare and contrast Maslow's Need Priority Model and Herzberg's two factor theory of motivation?

3. What are the Motivating Factors of Herzberg's theory?
4. Write a short note on equity theory of work motivation OR Explain equity theory of motivation and its application OR Explicate the Equity Theory of Motivation?
5. How motivation works OR How the content theories of motivation differ from process theories OR What is the difference between content and process theories of motivation OR Explain the implication of different theories of motivation OR Discuss different theories of motivation OR How intrinsic and extrinsic motivation work in an organization?
6. Write the names of two motivational theories OR Compare and contrast Maslow's and Alderfer's concept of Motivation?
7. Does reward and motivation go together?
8. Describe the Porter Lawler Model with a step diagram OR Write the additional aspects added to Vroom's expectancy theory by Porter and Lawler?

Module 4: Group Dynamics (10 Questions)

1. Define Team and state its importance OR What are different types of work teams OR How team building facilitates performance?
2. What do you understand by group dynamics OR What is group dynamics OR What are the features and norms of group dynamics OR What are the features and outcomes of group dynamics OR Define group OR What are the types of groups in organization OR Why do people join group?
3. How group behaviour is reflected OR What are the norms and outcomes of group behaviour?
4. What are the stages of group development OR Explain the process of group development OR Discuss the five stages of group development model OR Discuss different types of functional and cross functional teams in the organization OR Discuss different types of functional teams in the organization OR How they work together for a specific objective?

5. Why is group cohesiveness significant OR Why is group cohesiveness required?
6. What are the problems associated with groupthink?
7. How synergy works in team effectiveness OR Why achieving team results is so challenging OR Why achieving team effectiveness is so challenging OR Team building and managing is a cumbersome process OR Explain the process of team effectiveness?
8. Distinguish between group and team with examples OR Explain the implications of formal and informal groups on management?
9. How group decision making is superior to individual decision making OR Explain the ways to improve group effectiveness?
10. Illustrate leadership strategies to develop effective work team?

Module 5: Organizational Culture (7 Questions)

1. What is organization Culture OR Write the concept of organizational culture OR State the relevance of organizational culture OR Mention the significance of Organizational Culture OR Identify the different types of culture studied by you OR What are the characteristics of organizational culture OR Describe the dimensions and determinants of organizational culture OR Discuss how culture and ethos are maintained by the organization OR Give examples?
2. What is a strong culture OR What do you mean by strong and weak culture OR Explain OR Distinguish between strong and weak culture?
3. What is the difference between hard and soft culture OR Discuss the soft and hard components of organization culture OR What are the features of soft and hard culture OR Distinguish between soft and hard culture OR Distinguish between hard and soft culture?
4. Differentiate formal and informal culture OR Explain the implications of formal and informal groups on management?
5. What is a culture iceberg?
6. Define cultural shock?
7. Explain how to create a positive work culture in theory OR How it helps OR Organisation culture is the sum of shared values and practices OR "Growing a culture requires a good storyteller. Changing a culture

requires a persuasive editor." OR How organizational culture and individual values reciprocate each other?

Module 6: Organizational Change (8 Questions)

1. What is the meaning and importance of organizational change OR What is the purpose of organizational change OR Organizational change is inevitable OR Analyze OR What are the prerequisites for successful management of change OR What are the strategies to manage organizational change OR What are the prerequisites for successful change OR What is the need of organizational change OR What are the significant aspects of managing change?
2. What are the stimulants to the organizational change?
3. Why do people resist change OR What do you mean by individual and group resistance OR Write the importance of Group Resistance?
4. What is Lewin's three-step model of change OR Discuss Kurt Lewin's three step process of change OR Discuss Kert Lewin's three step process of change OR Briefly describe the Lewin's Model of Change?
5. What do you mean by stabilizing the change?
6. Does every time a change brings development OR Group or Individual change is inevitable OR How to deal with it?
7. How resistance to change can be overcome OR In this light, describe the Kotter's Model to implement change with a suitable diagram OR Discuss Kotter's eight step plan to implement change OR Elucidate how to overcome the resistance to change in the organization OR Why implementation of change is often a huge challenge for any organization OR Discuss Kotter's 8 step process of change management OR Suggest few methods to implement change in organizations OR Explain model of change management?
8. Differentiate between revolutionary and evolutionary change OR How different kinds of organizational change affect the workforce OR Provide the reasons behind the requirement of change in organization?

Module 7: Leadership (7 Questions)

1. What do you mean by leadership traits OR Write some leadership traits OR What are the salient features of contemporary leadership styles OR

What is the contemporary leadership and how does it differ from the conventional style approaches OR Distinguish contemporary theory of leadership from the conventional approach?

2. Write the names of two leadership theories OR What are different types of leadership OR Discuss the advantages and disadvantages associated with each leadership style OR Discuss the various leadership theories OR Give your opinion which one seems to be more relevant OR Explain various leadership styles and their implications?
3. What is transactional leadership OR How transformational leadership is different from transactional leadership?
4. Distinguish between autocratic and democratic style of leadership with examples?
5. Compare trait approach with contingency approach of leadership?
6. How leadership style impact on decision making OR "Leader is a person who knows the way, goes the way and shows the ways." OR "Leaders are not born but made."?
7. Write a short note on leader-member exchange OR Describe the success story of a global leader and an Indian leader?

Module 8: Perception and Attribution (7 Questions)

1. What are the factors affecting perception OR Write down the factors influencing Perception OR Explain the factors influencing employee perception at workplace OR Describe the factors influencing employees' perception in organization and measures to overcome perceptual errors?
2. What are the perceptual errors OR What are the perceptual errors OR How to minimize these OR What is stereotype error OR What do you mean by Stereotyping OR What is halo effect OR Social perception is a complex process OR How social cognitive frameworks explain organizational behaviour?
3. Define perception OR What are the hindrances of social perception OR Discuss perceptual process with example OR Explain how the perceptual process works OR How attribution works?

4. What do you mean by attribution OR Write a short note on attribution OR How do you describe Attribution Theory OR How attribution affects social perception?
5. How perceptual process works OR Explain the importance of perception in OB?
6. What is stereotype error OR What do you mean by Stereotyping OR What is halo effect?
7. How attribution affects social perception OR How individual differences affect the social perception?

Module 9: Learning and Communication (6 Questions)

1. Define learning OR Illustrate the classical conditioning in learning?
2. What is grapevine in communication OR What are the basic barriers of communications in organization OR Explain the communication process in organization OR Give examples of different types of communication in a particular organization?
3. What is a Learning organization and its benefits OR Define learning organization OR What are the characteristics of learning organizations OR How to build a learning organization OR Define learning organization OR How organization can learn sustainably?
4. What is performance appraisal?
5. Explain transactional analysis?
6. Write conflict resolution techniques?

Module 10: Conflict and Recruitment (3 Questions)

1. Is conflict required for better management OR Justify your answer OR Write the importance of Group Resistance?
2. Differentiate between Recruitment and Selection?
3. How behaviour is reflected in the performance?
